

**GENERAL DIRECTOR
FOR ENVIRONMENTAL
PROTECTION**

Andrzej Szweda-Lewandowski

Warsaw, 6-12-2023

DOOŚ-TSOOŚ.440.8.2015.69

in electronic form only

As per the distribution list

The delivery of a decision on environmental conditions for a project involving: "Construction and operation of Poland's first Nuclear Power Plant, with an electrical capacity of up to 3,750 MWe, in the area of Choczewo, or Gniewino and Krokowa communes" in accordance with Article 6 of the Convention on Environmental Impact Assessment in a Transboundary Context (the Espoo Convention)¹

On 19 September 2023, the General Director for Environmental Protection issued a decision specifying the environmental conditions for the implementation of a project involving "Construction and operation of Poland's first Nuclear Power Plant, with an electrical capacity of up to 3,750 MWe, in the area of Choczewo, or Gniewino and Krokowa communes", planned to be implemented as option 1—location: Lubiatowo-Kopalino, technical sub-option 1A.

The text of the decision in Polish, and parts of the decision translated into English, German and Lithuanian are available at the following link:

<https://owncloud.gdos.gov.pl/index.php/s/Vpta7MUG90khrbP>

Please provide information about issuance of the decision to the public, with a possibility to get acquainted with its content, in a manner customary on the territory of the Affected Party. Please provide the Polish Party with information of the date of announcement of the decision in question.

¹ The CONVENTION on Environmental Impact Assessment in a Transboundary Context, signed in Espoo on 25 February 1991, hereinafter: the Espoo Convention

Yours sincerely,

ANDRZEJ SZWEDA-LEWANDOWSKI
General Director For Environmental Protection
